**Celebrated Painter Charley Hutton Joins PPG for Goodguys Events**

Charley Hutton, one of the custom car world's most popular painters, will appear at the PPG Show Truck display at the Mid-Western Nationals Goodguys Rod & Custom Association show this summer. Hutton will meet show visitors and sign autographs at the Kansas City show, August 31–September 2. Visitors are invited to come talk to Charley about his experience with PPG's Envirobase® High Performance waterborne products.

- Friday, 8-31, 1:30–2:30 p.m.
- Saturday, 9-1, 10:00–11:00 a.m.
- Sunday, 9-2, 9:00–10:00 a.m.

**HUMID/HOT WEATHER PAINTING TIPS FROM ABS/PPG**

July was a tough month for painters. Along with the hot summer temperatures we had high humidity. ABS & PPG recommend using slower solvents and hardeners in these conditions in both undercoat and topcoat finishes. While drying will occur faster due to the high temperatures, you have to factor in the high humidity.

**NEW PRODUCT**

**Door Edge Protection Film**

Dings and paint chips on car door edges may seem unavoidable, but the car door protection this film provides, can help protect your car from everyday accidents.

- Protect door edges from chips, scratches, and scuffs
- These car door protectors apply by hand with no tools required
- Virtually invisible and cleanly removable
- Door Edge Protection Film helps keep vehicles looking new
- Includes two door edge guard strips 36 inches long ideal for most sedans
