PPG Show Truck Gets a Bold New Look

PPG Automotive Refinish has repainted its popular show truck. The truck, a 75-foot 2016 Freightliner Cascadia tractor-trailer rig now features a fresh red, white and blue paint scheme reminiscent of the stars and stripes of the American flag. The spectacular paint job shows off the vibrant colors, extreme graphics and unrivaled special effects that PPG's commercial products inspire and encourage.

"The PPG show truck represents our company wherever it travels," said Cristina Fronzaglia-Murray, manager of marketing communications, PPG Automotive Refinish. "We wanted it to be an absolute show-stopper, one that clearly displays what our products can do. We also wanted the paint scheme to recognize and celebrate the freedom we have in this country—from the ability to pick the cars we drive to the color and paint we choose for them. We believe this color scheme and design reflect that, and it's a pleasure for PPG to be able to share that message as our truck travels across the country."

NEW PPG PRODUCT

DPS3105

V-PRIME™ Quick Prime Urethane Surfacer

DPS3105 V-PRIME™ Quick Prime Urethane Surfacer is a speed primer designed for spot and panel repairs which offers outstanding film build, fast dry to sand times and excellent resistance to film shrinkage. DPS3105 is easy to spray and can be applied to a wide range of substrates. DPS3105 is also rollable. This versatile surfacer is ideal for production-minded collision centers performing premium quality refinish work.

Features & Benefits

- Sand in as little as 30 minutes
- High build
- Highly productive
- Resistant to film shrinkage

Compatible Surfaces

DPS3105 may be applied over:

- Properly cleaned and sanded fiberglass
- Properly cleaned and sanded E-Coat
- Cured and sanded OEM finishes
- Properly prepared and treated bare steel, galvanized, and aluminum
- Deltron Plastic Adhesion Promoter
- Deltron Etch Primers
- Deltron 2K Primer Surfacers
- DPLF Epoxy Primer
- DPLV 2.1 VOC Epoxy Primer
- One Choice Plastic Adhesion Promoters
- One Choice Etch Primers
