## NEW PRODUCT

VIBRANCE COLLECTION®  
DITZLER® SATIN CLEAR

**PPG Ditzler Satin Clear** is a low gloss custom clear providing a uniform, low gloss finish popular with today's custom painters. It delivers superior mar resistance and outstanding color retention. It can be used on accent stripes, hoods or the entire vehicle.

- VOC compliant for all regions based on reducer choice
- Smooth, uniform satin finish
- Easy 4 : 1 : 1½ – 2 mix ratio

## UPCOMING PPG TRAINING KANSAS CITY

- **PPG Color - Deltron** 3/22/2016 - 3/23/2016

Alloway's Hot Rod Shop  
built '33 Roadster wins  
**SEMA Battle of the Builders**  
using **PPG** refinish products

Bobby Alloway added a major award to his already jam-packed trophy case by winning the SEMA Battle of the Builders competition held recently in Las Vegas. The award, part of the annual SEMA show, was announced Nov. 6 at the Las Vegas Convention Center. Alloway took the honors with a **PPG**-painted 1933 Ford Roadster owned by Larry Olson of Sioux Falls, S.D. The car was on display in the **PPG** booth throughout SEMA.
